

6th Grade Service Learning -2016-2017

The Box Turtle Connection:

This Citizen science project is in collaboration with the Centennial Center for Wildlife Education/ NC Wildlife Resources Commission. Students will be working on estimating the number of Eastern Box Turtles at the Lake Raleigh Woods, using the mark, capture and recapture method.

The students will be the scientists,collecting real data for this project every Thursday during the fall and then analyze the data during the winter.

Beautify Hillsborough Street:

Students will work together to clean up and improve our section of Hillsborough Street. We will seek guidance from the Hillsborough Street Community Service Corporation's Clean and Safe program. We will also use the app **Litterati** as we collect, identify, and geo-tag litter found in our area. Students will be invited to share their ideas and opinions on how to improve our local area.

Growing Green for Good:

Do you have a green thumb? Do you love to dig in the dirt? Do you want to help end food insecurity? We will work with to grow a variety of veggies in our urban garden to donate to our Raleigh partners working to provide healthy food to those in need. We even might get to enjoy a bit of what we grow! Put on your work gloves and do good.

Earth Force:

Students work together with teacher facilitation to design and implement a project which explores root causes and addresses a policy or practice related to the environmental issue that they identify in our community. This is a Community Action and Problem-Solving Process that combines the best of civic engagement, environmental education, and STEM. Earth Force's focus on civic engagement helps students become active participants in our community by conducting balanced research, building strong community partnerships, and making decisions as a democratic group.

Read the above descriptions of each of the Service Learning activities for this first semester and then fill in the following:

Name: _____

Crew: J L S D

1st Choice: _____

2nd Choice: _____

3rd Choice: _____
